Dedication

This book is dedicated to Michael students, wherever they may be. And to all those who search for “answers” in these chaotic times.

Acknowledgments

Without all those who have collected and published Michael information, this work would not have been possible. It grew out of my own curiosity and desire to learn more, and as an exercise to relieve my “writers block” on other projects.

Very special acknowledgments go to José and Lena Stevens, with whom I have studied for many years. These two are doing very important work in spreading the Michael Teachings out into the world. Their willingness to open their home, their lives and their hearts to Michael students is deeply appreciated.

From the acknowledgments of the first edition of the *Concordance*: “It’s October 29 1993. We have just experienced a firestorm in Southern California consisting of over 15 major fires, destroying over 500 homes and 72,000 acres (almost 10 years to the day when I lost my own home to fire). It is hard to imagine what that is like without being here. The sober realization that we are all connected, that we need each other in order to survive is coming to us in many ways, through many sources, some of which seem to be tragedies beyond belief. Yet, beyond the appearances, there is a greater force at work, one which is expressed continually through Michael and the many Michael channels — it always delivers the message of love and hope.”

Now, years later, the world has seen many, many changes. Accepting the lessons of living in our world at this time in history is a daily challenge and a daily gift. The Michael Teachings have provided me with incredible support in understanding myself and others no matter what is going on around me.

Through my study of the Michael teaching and a deep desire to expand my awareness, I have had many wonderful experiences and met even more wonderful people.

May your own life be filled with love, joy and deep peace wherever you are.

About The Author

Barbara Taylor is a long-time Michael student (since the 1st wave). Her professional work includes corporate management consulting and training. The Michael Teachings are an integral part of her professional consulting work where she uses the system to facilitate teamwork and improved productivity. Barbara holds an MBA with a dual major in Business Management and Information Systems, and is an ordained minister.

In Michael language, Barbara is a 3rd level Old Priest with Scholar casting and an Artisan essence twin. Barbara is in the 6th Entity of the 1st Cadre, cast in position 214 (Sage Block, Warrior Row, Scholar Column, Truth Side), which translates to a Global Job of *Cooperation*, a Community Responsibility of *Competence*, with an Underlying Motivation of *Communication*.
